

This year's North West Night League 2012/2013

Is being sponsored again by BrightBikeLights at www.Brightbikelights.com
UK importers of the popular high power (900 lumen) LED head torch

The North West Orienteering Association will use the top-quality headlight donated by the sponsors for a prize to the most successful orienteer in the Night League.

So if you fancy winning a top-notch headlight and getting some quality night orienteering in over the winter, full details of the event formats and rules can be found on the NWOA website <http://nwoa.org.uk/>
