

DEE at WOC and Scottish 6 days

Not what anyone would wish on anyone, but Dave and Chris's 1st leg runner at the WOC Sprint Relay, Hollie Orr, had a nightmare, having a fall and other mentally off putting events so losing the pack and returning 25th about 3 minutes down. Dave pulled back 6 places and Chris and Cat Taylor (4th fastest on her leg) also made progress for GB to finish 14th – at least 6 places behind where they might have finished. A great atmosphere in the race arena and video of it is on the WOC website. Hollie ran in the Middle Distance but did not perform well (I think because of injury from Sprint) so withdrew from the relay team.

Read reports of all the WOC races and interviews with the GB runners on the BOF website – also see woc2015 website.

At the 6 days, a selection of DEEsiders' results are (best 4 places out of 6 count):

	Overall	GB position	Top 10 results
Lachlan Chavasse			4 th
Ollie Williams	9 th	5 th	6, 7, 8 th
Mal Irvine			6 th
Mike Smithard	6 th	3 rd	2, 4, 7 th (Tied with brother Phil but better 5 th score)
Anna Harris	14 th	5 th	7, 8 th
Sara Campbell	21 st	5 th	
Liz Jackson	22 nd	6 th	8 th

Sara and Liz only ran 4 days and ended up only 2 points apart!

Obviously there were lots of overseas runners this year so harder to finish high up especially in W12 and W50 it seems from above.

Apologies to anyone's results missed.
