Officials' Comments

Organiser's Comments (Noel Schorah)

I hope that you enjoyed the contrast between the open heath and rocky outcrops of Thurstaston Common and the woodland in Royden Park. Thank you to Mike Smithard who navigated the complexity of getting access permission, for an area which is a SSSI with multiple landowners; and to all the willing DEE members who helped on the day. Finally, thank you to Chris Calow for planning, John Kewley as Controller and to Thomas Snow, Adam and Matthew McCreadie for helping Chris to collect in controls.
